## **Disclaimer**

This book is provided for general informational and educational purposes only. The recipes, nutritional information, dietary suggestions, and all other content are not intended as medical, nutritional, or professional health advice. The author and publisher make no representations or warranties of any kind, express or implied, as to the accuracy, completeness, suitability, or safety of the contents. Nutrition values, where shown, are approximate estimates only, have not been laboratory-verified, and may vary depending on specific ingredients, brands, preparation methods, and serving sizes used. Always consult a qualified healthcare professional, registered dietitian, or allergist before making dietary changes, especially if you have food allergies, intolerances, medical conditions, or are taking medication.

You are solely responsible for safe food handling, cooking all ingredients to safe internal temperatures, identifying and avoiding allergens, and ensuring that recipes are suitable for your individual health needs. To the fullest extent permitted by applicable law, the author and publisher disclaim all liability for any loss, injury, illness, allergic reaction, adverse health effect, or damage of any kind arising, directly or indirectly, from the use, misuse, or application of any information, recipe, or suggestion in this book. Any mention of specific products, brands, or equipment is for informational purposes only and does not constitute endorsement. Use of this book and its recipes is entirely at your own risk.

# Contents

---
